City Of Las Vegas Issues Call For Artist Submissions

Apply To Design "Windows On First" Temporary Public Art Project

The city of Las Vegas requests submissions from artists who are interested in creating original, temporary, site-specific artwork installations as part of a rotating exhibit for the First Street Art Trail "Windows on First" location at City Hall in downtown Las Vegas. The site offers three large display windows that face First Street, offering a public space with unlimited viewing potential. The project offers a \$2,000 honorarium. The deadline to apply is 3 p.m. PDT, Thursday, Oct. 27.

It's anticipated that the artwork will be on display for six months, beginning in February of 2017. The artist will be responsible for the installation, maintenance and deinstallation of the artwork. City of Las Vegas employees are not eligible to apply.
